Kakani Hiking Brief Itinerary

: Kakani to Bhanjayang Hike-1 Day

Similarly the drive will start from the Kathmandu for an hour which is 32 Km to the Kakani. Kakani is in the Maximum altitude of 2073 m . Then your hiking will start from Kakani where the trail leads towards the east with graveled motor road. This place is very enjoyable for the hiking and difficult too. This trek is very interesting because the way is filled with the rhododendron, Oak, Pine forest. The trail will goes almost on a level path and your hike will be about three hours to Bhanjyang . In the middle of it you will have some junk lunch and start your hiking back to the Kakani. Back to the Kathmandu.
